East Meets West Massage

185USD • 80 minutes

Experience optimal well-being for the mind, body, and spirit. Our therapists combine the holistic healing techniques of the East, restoring the body's natural balance, with the more specific muscle manipulation of the West. We offer this treatment both in the spa or the privacy of your own bure.

Hot Stone Massage

205USD • 80 minutes

Release tension, restore balance, and increase positive energy flow with a hot stone massage. Warm stones are strategically placed on your body and combined with our own cold-pressed virgin coconut massage oil to relax tense muscles, increasing circulation in the body.

Combination Foot Reflexology & Lower Leg Massage

55USD • 30 minutes

Receive many of the benefits of a tropical body massage without spoiling your hair (or makeup). You'll start with a relaxing foot-bathing ritual, then our expert therapist will massage your calves and work on the pressure points of the feet to release tension and restore your vitality.
